**Call to Witness** is the true story of One Woman's Battle with Disability, Discrimination and a Pharmaceutical Powerhouse. Jane Gagliardo was a throwaway employee, fired after working nearly a decade for a leading vaccine maker when her disability surfaced. Jane is fearless and impassioned, and her story will leave readers empowered to stand up for themselves, even if it means standing alone. This 2002 landmark case changed the law and challenges the way corporations do business today.

Sherry Blackman is no stranger to Sparta; she lived here for over 20 years and currently resides in Warren County. She is an internationally published writer, award-winning poet and journalist whose work has taken her to 30 countries and has appeared in dozens of national and international publications.

Jane Gagliardo and Attorney Patrick Reilly will be joining Sherry to discuss corporate culture, living with a disability and standing up for one's self.

**A portion of the proceeds from the sale of the book will go to MS RESEARCH**
